WEATHER STATEMENT

In the event of inclement weather, the training will be re-scheduled for another time. Notice will be sent by Monday, February 23rd.

Training Description

CCUSA's copyrighted and accredited Essentials for Disaster Case Managers two-day training provides the 10 essential topics a disaster case manager needs to know about in order to ensure success.

The training provides opportunities to apply and practice this knowledge with in-class activities.

- Attendees are required to attend both days to receive a CCUSA Disaster Case Management Certification.
- Lunch is provided.
- The training is limited at 30 participants (Limit 3 participants per agency).
- Priority will be given to nonprofits providing case management to disaster victims.

Who Should Attend?

- Case Managers who will provide service to disaster victims
- Supervisors of disaster case managers
- Long-term recovery group representatives
- Community members interested in volunteer disaster case management
