

## United Way of Central West Virginia Presents: Mental Health First Aid Course

Mental Health First Aid teaches you how to identify, understand and respond to signs of mental illnesses and substance use disorders. This 8-hour training gives you the skills you need to reach out and provide initial support to someone who may be developing a mental health or substance use problem and help connect them to appropriate care. Participants will receive a certificate upon completion of training. The course educator will be Dr. Michelle Easton, Dean of students at the University of Charleston School of Pharmacy.

**August 14<sup>th</sup>, 2019 8am – 5pm**

United Way of Central West Virginia, Clay Room  
1 United Way Square  
Charleston, WV 25301

The training is **\$45 per person** for all materials used during the course. This location is universally accessible. Parking is free in our front lot for all attendees. Lunch will be provided.
